

all doubt,  
despair and  
fear become  
insignificant  
once the  
intention  
of life  
becomes  
love.

In our house, 2022 is  
ruled by Exu & Oxossá.  
I hope that your  
roads are opened,  
and that you  
conquer what it is  
you're hunting for.

I used to do surf club as  
a paid item, but  
it felt insincere.  
It feels like  
it should be  
a gift.

I'm hoping  
that after two  
years of strife,  
we'll be blessed  
with a good  
year.

BUT THE ARMS  
OF THE OCEAN  
DELIVERED ME

Aloha friends,  
Welcome to  
2022!  
I hope you enjoy  
this little  
surprise.

In Brasil,  
Iemanjá is  
celebrated  
on the  
New Year  
and on  
February 2nd.
